

west

The West of Ireland is beautiful and unspoilt and full of natural resources. It is these natural resources which form the framework for our cuisine and from which we derive our name. Our focus is always fresh, natural and as local as possible.

Happy Mother's Day

*Music & candles on, plates and glasses ready
Oven already at 80c*

*Place your mains in the oven to keep warm
Pour your first wine, enjoy your first course
Follow on from there...*

We hope you enjoy our West @ your Home celebration
